# 26/27 OHT Central Program of Supports Overview

**Rapid Improvement Support & Exchange (RISE)**

**Overview:** Provide peer sharing and learning supports across OHTs and their PCNs to support advancement of primary care and PCN priorities
**Supports:**
- Beginning Oct 2026: Peer sharing and learning sessions and problem-solving sessions
- Hosts the OHT supports events calendar and an OHT Resource Hub.

**Contact:** rise@mcmaster.ca

**Public & Patient Engagement Collaborative (PPEC)**

**Overview:** Strengthen OHT capacity for effective patient, family, and caregiver (PFC) engagement.
**Supports:**
- Support OHTs to build and advance patient, family, and caregiver (PFC) capacity
- Training, tools, and resources to support PFC engagement and partnership
- Co-facilitate bi-monthly PFC community of practice (CoP) – see OHT Events calendar for dates/times
- Provide bi-monthly office hours to support OHTs to achieve level 2: learning and developing per Creating Engagement Capable Environments in OHTs Framework

**Contact:** ppec@mcmaster.ca

**Health System Performance Network (HSPN)**

**Overview:** Strengthen OHTs' capacity in evaluation, performance measurement, and data interpretation and application.
**Supports:**
- Supporting enhancements to OHT reports
- Develop and administer the OHT leadership survey
- Develop webinars and co-facilitate OHT Performance and Improvement Evaluation CoP in alignment with OHT performance and improvement program and OHT priorities (see OHT Events calendar for dates/times)

**Contact:** hspn@utoronto.ca

**ALIGN (Advancing Leadership and Integrated Governance Networks)**

**Overview:** Build OHT and PCN capacity for strong sector leadership and effective clinical-community engagement to advance primary care priorities
**Supports:**
- OHT/PCN leadership peer learning sessions, aligned to OHT priorities (See OHT Events calendar for dates/times)
- Self-directed tools and activities related to PCN leadership supports
- OHT engagement self-assessment survey (OHT 360 engagement) - Coming soon/Fall 2026

**Contact:** align.oht@gmail.com

MOH continues to hold TPAs with INSPIRE & IPHCC (more information TBD).

**Note:** all support partner events are posted on the OHT supports events calendar

# Complementarities in the PC leadership space

RISE
Rapid-Improvement Support and Exchange

| Domain | Time-limited system supports explicitly tied to achieving OHT deliverables and PCN expectations | System supports |
